

## **BAC Teams Dominated the 2011 Elk Grove Invitational**

**Elk Grove** – All three BAC teams that participated in the Elk Grove Invitational Tournament on October 15-16, 2011 made it to the Championship Finals, and two of them brought home the “gold.”

This annual competitive tournament-like setting is hosted by the Elk Grove Youth Soccer League for recreational teams within District 6 of the California Youth Soccer Association (CYSA).

The U14G Diablas and the U16G Lady Gunners rightfully became champions of the event with superior performance and amazing skills. Each team claimed victory in every game played. Their discipline and commitment showed in every move, every pass and every goal. The weekend paid off with the well-deserved Championship title for both squads. The Diablas won their match 4-3, scoring the game winner in the final five minutes. The Lady Gunners held on to a 2-1 victory in the Championship

On the other hand, the U19B Milan demonstrated outstanding natural talent and perseverance. With a focused team of boys who fought to control every inch of the field, they comfortably won every single match. Sadly, however, they lost to penalty shots in the Championship Final, with the final score at 4-2.

The BAC community congratulates and salutes the players, coaches and families of the BAC Diablas, Lady Gunners and Milan for their exceptional contribution to the wonderful sport of soccer.
